

STILLBROOK POLL MERINO STUD

Welcome to the Stillbrook Poll Merino Site at the now very popular South West Slopes field day. Our focus is on the Poll merino as we feel this is the way forward in the merino industry. Our polls are bred in the high country of Crookwell and so need to be very good quality wools to handle the wetter conditions. From our own experiences they cut very good amounts of wool and have excellent body weights also. Two of the key profit drivers for running a good merino enterprise. They do this with excellent conception rates also.

Because they are bred in this high country it means they can go to any other area. Our rams are sold not only locally to Crookwell and Taralga but to Bathurst, Young, Yass, Bombala, Darbys Falls, Wagga Wagga and Tamworth. We have also had some very good sales of our sires for other studs to build their Poll Merino studs.

If you are interested in going to Poll Rams or even if you have are curious about the Poll merino breed come and see our site at this very good field day.

If for some reason you missed us or you want to see more of our sheep please contact us on the numbers below.

We thank you if you took the time to view our sheep.
