I would like to welcome everyone to the 2024 South West Slopes Stud Merino Breeders Field Day. 60 of the Top NSW registered merino studs will be on display at this year's event, held at the Harden Showground. The event has become one of the largest gatherings of registered merino studs in Australia all in one place on the same day and all under cover! With free entry and onsite parking inside the show ground, every visitor on the day will receive a free copy of our full colour SWSSMB Booklet and pen.

The 2023 Field Day was one of the biggest with all studs bringing top-quality displays. All 60 studs were spaciouly laid out under four big marquees. 2023 was also one of the biggest years so far for commercial Agriculture and merino woollen products on display. As the chairman of the SWSSMB it was great to see the high level of interest in the merino industry especially with the amount of people that travelled from near and far to see the best genetics NSW has to offer.

The field day is a great opportunity for producers and interested parties to view the different genetics available to suit their merino sheep enterprise and their particular farming environment. Mingle and network with one of the biggest gatherings of like-minded breeders and get the latest information from industry specialists all in One Spot on One-Day.

I am pleased to announce that this year the SWSSMB Woollen Fashion Parade will be displaying the AWI traveling container with the latest in the woollen garments along with other merino industry clothing. The Fashion Parade will commence whilst judging of our competitions is taking place.

Once again, the Major Sponsor of the 2024 SWSSMB Field is the Nutrien Company, as chairman, I thank them for their continued sponsorship as Major Sponsor which they have taken on board for several years. To all our Secondary Sponsors and Supporters of the Field Day, thank you for your continued sponsorship, your financial backing goes towards the SWSSMB Merino Field being a great event for the Merino industry.

To the Member Studs and the Working Committee members thank you for continuing to support the Field Day and helping it all come together each year. The work they put in to help this event go ahead is much appreciated by the Chairman.

Thank you to the merino studs that continue to travel from right across the NSW State for this One-day merino display event at the Harden Show ground its great to see their continued commitment to this day. With 57 studs from 2023 all signing up again to display in 2024.

With 60 studs on display, as well a large show case of industry relevant companies and enterprise the Southwest Slopes Stud Merino Breeders Field Day is a great day and not to be missed by anyone in the merino industry. We look forward to seeing you there!
